1. EXECUTIVE SUMMARY & CORE COMPETENCIES

Emerald is a trusted name in construction, development, and property management, backed by over 12 years of industry experience. We specialize in general contracting, construction management and comprehensive property lifecycle solutions. Our experienced teams bring expertise across structural, architectural, and technical disciplines. From initial planning and design to execution and final delivery, we ensure quality at every stage. We manage projects with a strong focus on precision, efficiency, and professional standards. Beyond construction, we provide complete property management solutions tailored to our clients' needs. Our services include building supervision, routine maintenance, tenant coordination, and rent collection. We focus on preserving property value, maximizing occupancy, and ensuring smooth day-to-day operations. At Emerald, our commitment is to build lasting relationships, deliver dependable results, and create long-term value for every client. With a proven track record of delivering successful projects, Emerald combines practical expertise with a commitment to excellence. We believe in building more than structures; we create sustainable spaces that deliver lasting value and meet evolving client needs. Driven by integrity, innovation, and client satisfaction, Emerald continues to set high standards in construction and property management.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.1 Project Korang Town -1: This was our first-ever project; marking the beginning of our journey in property development. Completed and delivered over 12 years ago, it stands as a milestone in our growth and experience. Today, the property is **fully rented out**, reflecting its long-term value and sustained occupancy.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.2 Project Korang Town -2: This was our second project, located in Korang Town, which was successfully completed and delivered. The property is now fully rented out, reflecting our commitment to quality construction and long-term investment value.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.3 Project Korang Town -3: This was our third project in Korang Town, building on the success of our previous two developments in the area. Upholding the same high standards of construction and quality, the project was successfully completed and is now fully rented out.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.4 Project Razzaq Valley–Lala Plaza: Following the successful completion of our projects in Korang Town, Emerald expanded its operations to Razzaq Valley with the development of Lala Plaza. Continuing our tradition of quality construction and successful project delivery, Lala Plaza emerged as another milestone in our growth, achieving full occupancy and sustained rental success.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.5-2.9 Project Razzaq Valley Dhok Ali Akbar Kurri Road: Following the success of our first project in Razzaq Valley, Emerald expanded its portfolio by launching five projects simultaneously across Razzaq Valley, Kurri Road, and Dhok Ali Akbar. All five projects were successfully completed, delivered, and rented out, marking a significant milestone in our growth and demonstrating our ability to manage multiple developments efficiently while maintaining consistent quality standards.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.10 Project Millennium Square – Scheme 3: Following the successful completion of our Razzaq Valley , Kurri road projects, Emerald expanded into Scheme 3 with another landmark development. The building was secured by an **IT company** for rental during the construction phase, and upon completion, the entire property was fully occupied. This achievement reflects Emerald's proactive planning, effective project management, and expertise in maximizing property value even before project completion.

2. FEATURED COMPLETED PROJECTS SHOWCASE

2.11 LA-VISTA Project – Civic Center: Following its success in Scheme 3, Emerald expanded its presence to Civic Center, Bahria Town, with the development of a flagship project. Successfully completed and delivered to a high standard, this development marked another milestone in Emerald's growth, reflecting our commitment to quality construction, strategic expansion, and excellence in property development.

2.12 Project Pindora: The Pindora project was strategically redesigned and successfully completed to enhance its functionality, appeal, and rental potential. The entire property is now fully rented out, generating consistent rental income and reflecting Emerald's expertise in property optimization, effective management, and maximizing investment returns.

2.13 Project Zayan Plaza DHA-1: Emerald's latest development is located in Sector F, DHA Phase 1, where the project has been completed with a strong focus on quality, precision, and excellence. With construction successfully finalized, the property is now progressing toward full occupancy, marking another milestone in Emerald's continued growth and commitment to delivering high-value real estate investments.

2.14 Project Niaz Bakery: Emerald also specializes in the upgrading and renovation of existing commercial setups, including bakery facilities. Beyond successfully delivering the project, Emerald ensured the uninterrupted operation of the bakery, allowing sales activities to continue throughout the upgrading process. This reflects Emerald's commitment to efficient project management, operational continuity, and delivering quality without disrupting business activities.

2.15-20 Residential Project: Emerald specializes in commercial construction projects and also undertakes residential developments, delivering customized solutions tailored to each client's specific needs and requirements.

3. ON GOING PROJECTS SHOWCASE

3.1 Project Park View: Emerald's Parkview project is currently under development, with the grey structure successfully completed and finishing work underway. The project is progressing according to plan, with completion expected in December 2026.

3. ON GOING PROJECTS SHOWCASE

3.2 DHA-1 Down Town: Emerald's DHA Downtown Phase 1 project involves the merger of two 5-marla plots into a single 10-marla development. The project is progressing toward completion, with delivery expected in December 2026. This development reflects Emerald's strategic approach to property consolidation, efficient space utilization, and long-term investment value.

3. ON GOING PROJECTS SHOWCASE

3.3 Capital Noor - Saddar: Capital Noor stands as one of Emerald Builders' flagship developments, strategically located in the heart of Saddar, Rawalpindi. Featuring three basement levels and a thoughtfully planned structure, the project is nearing completion of its grey structure phase. Designed to reflect modern construction standards and architectural excellence, Capital Noor represents a landmark achievement in Emerald's growing portfolio of premium real estate developments.

3. ON GOING PROJECTS SHOWCASE

3.4 Paradise NASR III: Paradise Nasr III has successfully reached the grey structure completion stage, with finishing work currently underway and expected to be completed soon. The project reflects Emerald's continued commitment to quality construction, precision and timely project delivery.

4. FUTURE PROJECTS

Emerald Builders continues to expand its development portfolio with several upcoming projects, these projects reflect the company's ongoing growth, commitment to quality construction, and vision for developing valuable commercial and investment properties. With a focus on strategic locations, modern development, and efficient project execution, Emerald Builders aims to further strengthen its presence in the real estate and construction sector.
